

I²IT Trust and Society's

PRALHAD P. CHHABRIA RESEARCH CENTER

Summer Training on “Applied Sciences” 15th to 19th May 2017

Objective

Exposure to develop applications based on Physics, Chemistry and Biology

Application of Mathematics to fundamental sciences to develop technologies

To understand and implement the link between Science, Engineering and Technology

Eligibility

Any Science/ Engineering/ Technology/ Medical student or practicing professionals

Things to Know

Classes will be held day and night
Participants must bring their laptops

Sample Mini-laboratory**

Duration: 5 days

Topics to be Covered

Applied Mathematics
- Computer Vision
- Artificial Intelligence

Engineering Physics
- Photonics
- Space Technology

Instrumentation
- Bio Signal Measurement
- Material Characterization

Computational Electromagnetics
- Photonics Integrated Circuits
- RF Engineering

Nanotechnology
- Nanomaterial Synthesis

Program Outcome

Ignite young minds to think creatively
Participants will take their working model with them after the successful completion of the training for further experiments and research along with their mini-laboratory

Participants will be certified on successful completion of the training

Mini-laboratory

Each participant will be provided with a mini-laboratory. This contains all the necessary electronic hardware, software and tools required during the workshop. This mini-laboratory would be property of the participant.

Fees: ₹ 10,000*

(Includes Food, Accommodation and mini-laboratory for hands-on learning)
Interested students can register online at www.ppcrc.in

Bank Details

Beneficiary Name : International Institute of Information Technology
Bank Account Number : 00072000006708
Name of the Bank : HDFC Bank Ltd
Branch : Bhandarkar Road
IFSC Code : HDFC0000007

Contact Details
